Summer at Beth Israel

The sun has returned. After a cold rainy spring, summer is returning to our beloved Jersey shore. We are putting our coats away and preparing for the myriad outdoor activities that we all love. At Beth Israel, our year is winding down. Hebrew School is over. Confirmation was beautiful, sacred and touching. But it is behind us. While the halls of our building are quieter this time of year, we are still very active. Even while we are busily planning for our fall programming, Beth Israel is open and here to welcome you all summer long.

Cookie is preparing our summer day camp designed for our youngest kids. And, this year she is adding a Dream Catchers component for older children with cooking, science, space and other exciting and fun learning components.

I am continuing my Israel @70 Lunch and Learn sessions in June, July and August. As Israel celebrates its 70th anniversary, we are looking at Israel's accomplishments and challenges through the eyes of her most brilliant writers, decade by decade. This is an incredible insight into Israel's soul. Together we will read the most important poetry, literature and journalism of each decade to discover how Israelis understood their lives and country's history.

Shabbat doesn't take the summer off. Our services during the summer are beautiful and casual. We hope you will join us. Additionally, we are hosting an outdoor Shabbat at our synagogue home in June. Bring your beach chair or a blanket as we greet Shabbat on our lawn. Everyone is invited to dinner after Kabbalat Shabbat: Tuna Subs, salad and pizza for all. Please let the office know that you are coming so that there will be enough food. Although we were pre-empted last summer due to the dune project, our beach services are back. Be on the lookout for some of our most beautiful and naturally sacred services of the year. We will gather on the beach at Huntington twice, once in July and once in August.

A very active and committed group of parents is hosting a truly wonderful Beth Israel BBQ on June 12. It's not too late to attend. Come to eat and play and share the camaraderie of being a Beth Israel family. These young adults are planning more events to come. If you miss the BBQ, make sure not to miss out on their next event.

The summer will pass quickly, and we will once again find Beth Israel a buzz of activity. But do not let the sunshine fool you. Your Beth Israel home has a variety of summer events to enhance our lives, to reflect our values, our traditions, and our vision. We are building our future together.

Book of Remembrance 2018

Jews throughout the world traditionally take time to remember their departed loved ones during the High Holidays. Beth Israel continues this tradition by preparing the Book of Remembrance that will be distributed at Yizkor Services on Yom Kippur afternoon. We remember those members of our families who are with us only in spirit, through the publication of the Book of Remembrance. You have the opportunity to memorialize your loved ones by listing their names in this book. We thank you in advance for your generous contribution
