From Our President

Have you noticed the summer people starting to return to the Shore? Here at Beth Israel, we are also getting ready for the summer and especially the arrival of our new Rabbi and his family. Rabbi Feshbach will have his first Service on July 1. Please plan to attend and welcome him to the bimah and our Beth Israel Family. Join us for a reception immediately following. Call the office to make your reservation. 609-641-3600

I want to reassure you that our Security team continues to be vigilant in making sure our building and congregants are safe. Due to the latest gun violence tragedies, we are using all measures to meet our goal of YOUR SAFETY.

During the next few months, with Rabbi Feshbach, we will be planning our High Holiday Services. We are looking forward to being together in the Sanctuary but will also live stream the Services if you are unable to attend in person.

On June 24th, we will have our last Service with our Student Rabbi, Alissa Platcow. She, working with Cantor Larisa, has carried us through all these months and provided us with spiritual and meaningful Services. Join us as we bid her farewell and best wishes as she continues her Rabbinic studies.

Temple life is busy, and we are always looking for your participation. If you would like to help in any way, please contact the office. Without our Temple volunteers, we would not be able to function. To all those who already help.....thank you so much!

I want to acknowledge our Board of Trustees and our staff, for making sure all the Pot of Gold tickets were sold! Congrats to our 6 winners! This is one of our biggest fundraisers and we wish to thank everyone who purchased a ticket!

As the destruction continues in Ukraine, please pray for the Ukrainians and offer them aid in any way that you can. And sadly our hearts and thoughts go out to all the families in Uvalde, Texas for the horrors they have just endured. We think of all of them and pray for them.

I wish the best to each of you and your families.

Membership: How You Can Help

The Jewish world has always evolved. The members of Beth Israel who worshipped here under Rabbi Fischer would view our worship as unrecognizable. That is one of the features that keeps Judaism alive.

However, right now, we are in the throes of transition. Just like our secular society has evolved, from agrarian to industrial, from industrial to technology, our Jewish world is in motion. Transitional times are challenging; we are looking for the breadcrumbs (Hansel and Gretel) to follow.

We need all of you to be the ambassadors for Beth Israel. Bring your friends and neighbors to services. Let us show them the beauty and serenity of worship; the traditions we have inherited; and the comfort of having a spiritual home.

Today's world challenges all of us to do better, to lead the way to a more compassionate society. The values of our founders live on through our deeds. Let us help others experience all that Beth Israel brings to our community.

We look forward as we welcome Rabbi Feshbach to our bema. We continue the legacy bequeathed to us by the generations who have graced the Sanctuary of Beth Israel.

We will build our future together.
